**AMENDED AND RESTATED RULES AND REGULATIONS OF
WATERSIDE HOMEOWNERS ASSOCIATION, INC.**

The Rules and Regulations hereinafter enumerated as to the association property, the common elements, the limited common elements and the units shall be deemed in effect until amended by the Board of Directors of the association and shall apply to and be binding upon all unit owners. The unit owners shall, at all times, obey said Rules and Regulations and shall use their best efforts to see that they are faithfully observed by their families, guests, invitees, servants, lessees and persons over whom they exercise control and supervision. These rules and regulations will apply equally to owners, their families, guests, visitors and lessees.

These Rules and Regulations amend and restate the Rules and Regulations dated December 16, 1985, as follows:

1. All definitions and terms used in the Declaration of Covenants, Conditions and Restrictions of Waterside Estates and the Articles of Incorporation and By-Laws of the Waterside Homeowners' Association, Inc. are incorporated herein by reference.

2. "Guest" or "Visitor" as used in these Rules and Regulations shall mean any individual who is not an Owner, Lessee or resident, who stays for any length of time (even for part of one day) in the Townhouse Unit, and who is not required to pay any monies, perform any services or provide any other consideration for the privilege of occupying or staying in the Unit. In addition, a guest or visitor must have another permanent resident in addition to the unit he is temporarily residing in at Waterside.

3. "Resident" as used in these Rules and Regulations shall mean any individual(s) occupying a Unit which is/are not a guest or visitor.

4. The units shall be used for single-family residences only.

Children will be under the direct control of a responsible adult. Children under 15 may not use the pool or waterfront areas unaccompanied by an adult. Children also will not be permitted to run, play tag, or act boisterously on association property. Skateboarding, roller skating or loud or obnoxious toys are prohibited. Children may be removed from the common areas for misbehavior by or on the instructions of the directors.

5. The common elements shall be used for the furnishing of services and facilities for which the same are reasonably intended for the enjoyment of the unit owners.

6. In order to assure a community of congenial residents and thus protect the value of property in the WATERSIDE community, the sale or lease of Units shall be subject to the these provisions. No Unit owner may dispose of a Unit or any interest therein by sale or by lease without approval of the Association. If the purchaser or lessee is a corporation, approval may be conditioned upon the approval of those individuals who will be occupants of the Unit. Approval of the Association shall be obtained as follows:

A. Leasing of Units.

- (a) **Definition.** "Leasing", for purposes of these Rules and Regulations, is defined as regular, exclusive occupancy of a Unit by any person or persons other than the Owner for which the Owner receives any consideration or benefit.

including, but not limited to a fee, service, gratuity, or emolument.

- (b) **Notice / Information Required.** Any Unit Owner intending to make a bona fide lease of his Unit shall give to the Association written notice of such intention, together with the required fee, and if required by the Board, a damage deposit to protect the Association from damage to the common elements by lessee, the amount of which fee and damage deposit, shall be set from time to time by the Board of Directors, the name and address of the intended lessee, an executed copy of the proposed lease, and such other information, in the form of an application or otherwise, to be established from time to time by the Board of Directors, concerning the intended lessee as the Association may reasonably require.
- (c) **Leasing Provisions.**
- (i) **General.** Units may be rented only in their entirety; no fraction or portion may be rented. There shall be no subleasing of Units or assignment of leases unless prior written approval is obtained as set forth herein. No transient tenants may be accommodated in a Unit.
- (ii) **Compliance with Declaration, By-Laws, and Rules and Regulations.**
 The Board may establish a Lease Review Committee, and/or appoint an agent or Approval Committee for the purpose of providing lease/prospective tenant and/or occupant review, which committee or appointee shall, within fourteen (14) days of receipt of the fully completed application, lease and lease addendum, and application fee, make a decision to accept or reject the proposed tenancy. Approval or disapproval of a prospective lessee shall be based upon the criteria set forth herein, or such other criteria as the Board may from time to time may approve. The decision of the Committee/Appointee shall be communicated to the lessor/owner in writing. The time used by the postal service to deliver the decision will be in addition to the number of days for the review required above. Members of the Committee or the Board's designated agent shall be appointed by the Board and need not, but may be, composed of members of the Association, including Board members.
- (iii) **Owners and Lessees Responsible.** Each Owner shall cause all occupants of his or her Unit to comply with the Declaration, By-Laws, and the Rules and Regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable and may be sanctioned directly by the Association for any violation of the Declaration, By-Laws, and Rules and Regulations. All leases of Units shall be automatically deemed to include a covenant on the part of the tenant to comply with, and be fully bound, by the provisions of these Rules and Regulations of the Association. This Section shall also apply to Subleases of Units and assignments of leases.
- (iv) **Association as Agent.** The Association is empowered to act as non-

exclusive agent of Owner/lessor with full power and authority to take such action, including eviction, as may be required to compel compliance by the lessee and/or lessee's family or guests, with the provisions of the governing documents, state law, applicable city and county ordinances and building, health, fire and safety codes.

- (v) **Approval Is Conditional.** Approval of the Association is to be expressly conditioned upon the lessee's continuing observance of the provisions of the governing documents. Any breach of the terms thereof shall give the Association the authority to take immediate steps to terminate or otherwise enforce the Lease Agreement and the Association shall have the right to directly enforce the governing documents against lessee, notwithstanding the fact that the owner remains ultimately responsible for the acts of lessee and lessee's family and guests, including costs of repair, court costs and attorney's fees incurred in remedying violations.
- (d) **Failure to Give Notice.** If the above required notice to the Association is not given, then, at any time after receiving knowledge of a lease or possession of a Unit, the Association, at its election and without notice, may approve or disapprove the lease transaction. If the Association disapproves the lease or lessee, the Association shall proceed as if it had received the required notice on the date of such disapproval.
- (e) **Time for Approval / Disapproval.** Within fifteen (15) days after such written notice and information and receipt of the required fee, the Association must either approve or disapprove the proposed transaction. Such approval or disapproval shall be in writing and transmitted to the lessor within the aforesaid fifteen (15) day period and failure to do so shall constitute approval of the lease.
- (f) **Failure of Owner to Comply With These Requirements.** The failure of a unit owner to give notice or allow possession or continued possession by a disapproved lessee shall constitute a separate violation of these rules and regulations for each day the disapproved lessee remains in possession beyond the date of receipt of notice of disapproval by the Association. Said owner shall be subject to separate fines levied by the Association for each daily violation or any other enforcement alternative permitted under the governing documents and/or Florida Statutes.

B. Sales of Units.

- (a) **Definition.** "Sales", for purposes of these Rules and Regulations, is defined as a voluntary transfer any interest in the real property, but shall exclude transfers solely between co-owners, or transfers through operation of law such as foreclosure sales or through the laws of descent and distribution.
- (b) **Notice / Information Required.** Any Unit Owner intending to make a bona fide sale of his Unit shall give to the Association written notice of such intention,

together a copy of the Contract for Purchase and Sale, contingent upon approval of the Association, with the required fee, the amount of which fee shall be set from time to time by the Board of Directors, the name and address of the intended purchaser, and such other information, in the form of an application or otherwise, to be established from time to time by the Board of Directors, concerning the intended purchaser as the Association may reasonably require.

- (c) **Compliance with Declaration, By-Laws, and Rules and Regulations.** Prior to approval of any prospective purchaser, every prospective purchaser shall be required to interview or otherwise certify to the Approval Committee or the Board's designated agent for that purpose that they have read and will comply with the governing documents and rules and regulations of the Association. Members of the Committee or the Board's designated agent shall be appointed by the Board and need not, but may be, composed of members of the Association, including Board members. Said Committee or designated agent shall make recommendations to the Board, which shall be the sole authority for approval/disapproval of sales. The purpose of this requirement is to review the Association's governing documents, including its rules and regulations, with prospective purchasers, and to have said prospective purchasers execute an acknowledgment that they have reviewed, understand and will abide by said governing documents, to review the prospective purchaser's application and other required material and thereafter approve or disapprove the prospective purchaser(s), based on the results of said interview and review of purchaser's application and such background checks as may be required by the Board.
- (d) **Failure to Give Notice.** If the above required notice to the Association is not given, then, at any time after receiving knowledge of a transfer of interest in a Unit, the Association, at its election and without notice, may approve or disapprove the transaction. If the Association disapproves the transaction, the Association shall proceed as if it had received the required notice on the date of such disapproval.
- (e) **Time for Approval / Disapproval.** Within fifteen (15) days after such written notice and information and receipt of the required fee, the Association must either approve or disapprove the proposed transaction. Such approval or disapproval shall be in writing and transmitted to the prospective purchaser/purchaser within the aforesaid fifteen (15) day period and failure to do so shall constitute approval of the purchaser and the transfer.
- (f) **Failure to Comply With Requirements.** The failure of a unit owner or prospective purchaser to give notice or allow transfer of an interest in the Unit shall make said transfer voidable at the option of the Association.
- (g) **Approval Certificate Required To Be Recorded With Deed.** If a purchaser is approved by the Association, the Association shall furnish an Approval Certificate in a form to be prescribed by the Board, which Approval Certificate shall be recorded together with the instrument of conveyance on the Public Records of Palm Beach County, Florida.

- (h) **Copy of Deed To Be Furnished To Association.** In the event of a sale, it shall be the responsibility of the purchaser of the Unit to furnish the Association with a recorded copy of the Deed of Conveyance indicating the owner's mailing address for all future assessment notices and other correspondence from the Association. Prior to the issuance by the Association of a Certificate indicating the Association's approval of the transaction, the new purchaser shall be required to execute an agreement acknowledging that he takes title subject to the By-Laws, Rules and Regulations of the Association, which he agrees to abide by. The Association shall retain the purchaser's certificate in its records, and shall furnish the purchaser a copy of the By-Laws, Rules and Regulations.

C. Other Transfers of Interest in Units.

Any other transfer of an interest in a Unit, other than those described above, "Other Transfers", shall be required to comply with the following provisions:

- (a) **Notice / Information Required.** Transferees through any Other Transfers shall be required to provide the Association, within thirty (30) days after obtaining said interest, written notice of said Other Transfer, and shall include in said notice a copy of the instrument of conveyance, the name and address of all transferees receiving an interest in a Unit through an Other Transfer, an application and such other information, which may be reasonably required by the Board of Directors.
- (b) **Failure of Owner to Comply With These Requirements.** The failure of a transferee to give notice as required above shall constitute a separate violation of these rules and regulations for each day beyond thirty (30) days said violation continues. Said transferee shall be subject to separate fines levied by the Association for each daily violation or any other enforcement alternative permitted under the governing documents and/or Florida Statutes.

7. No nuisance shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession, rights, comforts, convenience and proper use of the property by its residents.

8. No immoral, improper, offensive or unlawful use shall be made of the property nor any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The respective responsibilities of apartment owners and the Association of complying with the requirements of governmental bodies which require maintenance, modification or repair of the property shall be the same as hereinabove provided for the maintenance and repair of that portion of the property subjected to such requirements.

9. Regulations concerning the use of the Association property may be promulgated by the Board of Directors provided, however, that copies of such regulations shall be furnished to each unit owner. Although the Association shall have the right to enforce any such Rules and Regulations against a violator, the Unit Owner shall ultimately be responsible for any damage or loss suffered by the Association as the result of any such violation(s), including attorney's fees and costs of any enforcement activity.

10. **Fines.** The Association may levy reasonable fines against a unit for the failure of the

owner of the unit, or its occupant, licensee, or invitee, to comply with any provision of the Articles of Incorporation, Declaration, the By-Laws, or Rules and Regulations of the Association. The Association is authorized to collect any fines levied, and shall be entitled to its reasonable attorney's fees and costs incurred in the process of levying or collecting fines whether or not suit is filed. No fine shall exceed such limits as may from time to time be set by Florida Statutes, and the Board shall have discretion to levy fines less than those permitted by law. No fine may be levied except after giving reasonable notice and opportunity for a hearing to the unit owner and, if applicable, the unit owner's licensee or invitee. The hearing must be held before a committee of at least three unit owners who shall not be members of the Board of Administration, nor related by blood or marriage nor residing in the same unit as a Board member. No fine shall be levied by the Association unless a majority of the committee agree with the fine. The Board may establish other such procedures as may be necessary to carry out the intent of this provision.

11. PETS. The following shall apply to pets occupying a Unit as well as visiting a Unit and using the Common Property. Lessees shall not keep pets in a leased unit. Owners, their guests and visitors may have pets subject to the following:

Fines collected shall be deposited to the general maintenance account of the Association. In the event of non-compliance or failure of payment of fines, then the Association shall also have the right to seek appropriate legal action against the owner in order to obtain compliance of this rule and payment of the fine and, in addition, shall be entitled to a

judgment for all attorneys' fees and costs incurred in such action.

12. VEHICLES AND PARKING.

No unit owner shall store or leave boats or trailers on association property. The use of motor vehicles / trucks / boats / trailers / motor homes / buses and other such vehicles shall be regulated as follows:

- a. A commercial vehicle is any car, truck, van, panel truck, or any other vehicle used for the conduct of business or commercial purposes, except passenger cars used solely for the transportation of people, and not for the transportation of any goods, supplies, tools of a trade or business products if these items are visibly exposed.
- b. Commercial vehicles and vehicles bearing a commercial sign or display, shall not be permitted to park on the common elements or limited common elements of Waterside. Notwithstanding the foregoing, commercial vehicles providing necessary services to the residents of Waterside may park in Waterside but for only that period of time required to provide said necessary services. "Necessary services" as referred to in the preceding sentence are defined as any services provided by a government agency (including but not limited to the U.S. Postal Service, police, fire/rescue, etc.), non-profit agency, at the request of a resident, and other services, for a fee and which are requested by a resident of Waterside for the benefit of that resident, his family, guests or the unit being serviced.

It is the intention of this rule to reduce, to a minimally necessary level, the commercial vehicle traffic using the parking facilities of Waterside, by allowing only such commercial vehicles of third party providers of necessary services to park for the minimally required time. This rule disallows parking and use of the roads of Waterside by residents, their agents and employees, in furtherance of any commercial enterprise in which they may be employed or with which they may be otherwise associated.

Notwithstanding any restrictions on commercial vehicles to the contrary in this rule, passenger motor vehicles bearing the insignia of and actually used by the Florida Highway Patrol, Palm Beach County Sheriff's Department or any law enforcement agency, fire department or an emergency medical facility, fully authorized to operate in Palm Beach County, Florida, may park in Waterside, subject to the same terms and conditions governing the parking of private passenger motor vehicles.

- j. Motorcycles shall not be parked or placed in any area other than in the parking areas designated for that purpose. No motorcycle shall be allowed to be driven upon common areas other than roadways or parking areas.
- k. Parking in areas not designated for that purpose, or on any unpaved area will result in the offending vehicle being towed away at the owner's expense, and at the option of the Association, the imposition of a fine or any other remedy allowed by the Rules, By-Laws or by the Declaration of Covenants, Conditions and Restrictions of Waterside.
- l. A vehicle owner in violation of any of the provisions of this Regulation may be towed at the option of the Association, at the owner's / tenant's expense. In addition to the above, the owner / tenant of the Apartment responsible for said vehicle shall be liable for fine or any other remedy allowed in these documents, including reasonable attorney's fees for the enforcement of this provision. Apartment owners are strictly responsible to ensure that their representatives, employees, agents, guests, visitors, etc., or any other occupants of the Apartments comply with these rules and as such are responsible and liable to the Association for violations.

m. The remedies available to the Association stated herein shall be in addition to any other remedies permitted under the Articles of Incorporation, Declaration of Covenants, Conditions and Restrictions and By-Laws of the Association.

n. **Remedy of Towing.** If an offending vehicle owner does not remove a prohibited or improperly parked vehicle from Waterside Estates, as violative of the recorded covenants, or rules of the Association, the Association shall have the option and right to have the vehicle towed away at the vehicle owner's expense. By this provision, each unit owner and vehicle owner provides the Association with the necessary consent to effect the tow. In the event that the vehicle owner refuses to pay such costs upon demand, the Association shall have the right to collect said charges by a personal action from the Unit Owner in questions, that is, the unit owner for himself/herself as the owner of the vehicle or for his/her family, lessees, guests, employees, visitors, etc. as owner(s) of the vehicle (as such, the unit owner is liable for the vehicle violations of his/her family, lessees, guests, visitors, etc.); the Owner shall be liable for interest at the rate of 18% per annum thereon, along with costs and attorneys fees.

o. Unit Owners are strictly responsible to ensure that their representatives, employees, agents, lessees, guests, visitors, etc. or any occupants of their units comply with this Section 12; and as such, are responsible and liable to the Association for violations of same by their representatives, employees, agents, lessees, guests, visitors, etc. or any occupants of their units.

p. **Alternative/Concurrent remedies.** Whether or not the Association exercises its right to have the vehicle so towed, the Association shall nonetheless have the right to seek compliance with this Section 12 by injunctive and other relief through the Courts; and/or any other remedy conferred upon the Association by law or the Declaration, Articles of Incorporation or By-Laws. The Association's right to tow shall in no way be a condition precedent to any other remedies available to the Association incident to the enforcement of this Section 12.

13. The personal property of all unit owners shall be stored within their units. No clothes or other articles shall be hung on the balconies of the Townhouse Units or outdoors for any purpose whatsoever, except within the courtyard of the Unit and below the height of the courtyard fence.
